

Leadership Asheville 27 Program

Meeting Date: September 17, 2008

Meeting Location: The Crest Center and Pavilion, 22 Celebration Place, (828) 251-1820

Featured Website: www.ceo-express.com

The future is not a result of choices among alternative paths offered by the present, but a place that is created-created first in the mind and will, created next in activity. The future is not some place we are going to, but one we are creating. The paths are not to be found, but made, and the activity of making them, changes both the maker and the destination.

~ John Schaar, Future
