

Leadership Asheville 26 Program

Meeting Date: September 20, 2007

Meeting Location: The Crest Center and Pavilion, 22 Celebration Place, (828) 251-1820

Website of the Month: www.ceo-express.com

The ability to think straight, some knowledge of the past, some vision of the future, some skill to do useful service, some urge to fit that service into the well-being of the community—these are the most vital things education must try to produce. If we can achieve them in the citizens of our land, then, given the right to knowledge and the free use thereof, we shall have brought to America the wisdom and the courage to match her destiny.
