

Leadership Asheville 25 Program

Meeting Date: April 4, 2007

Meeting Location: The North Carolina Arboretum, (828) 665-2492

Website of the Month: www.diversitydata.org

The servant-leader is servant first. It begins with the natural feeling that one wants to serve. Then conscious choice brings one to aspire to lead. The best test is do those served grow as persons: do they while being served, become healthier, wiser, freer, more autonomous, more likely themselves to become servants? And, what is the effect on the least privileged in society; will they benefit, or, at least, not be further deprived?
