Leadership Asheville Welcomes Bill Treasurer as 2012 Board Chair

Asheville, NC – Leadership Asheville is pleased to welcome a new Chair of their Board of Directors, Bill Treasurer. Bill is succeeding Charles Frederick, who served as Leadership Asheville’s Board Chair for three years and was instrumental in transitioning the organization into an independent nonprofit.

Bill Treasurer is founder and Chief Encouragement Officer at Giant Leap Consulting (GLC), a company that exists to help people and organizations live more courageously.

Says Bill, “As a graduate of the Leadership Asheville program, I’m especially honored to be moving into the role of chairperson. I participated in the program after moving here with my family in 2006.

Leadership Asheville helped me develop a wonderful network of fellow leaders, learn a ton about our special community, and deepen my understanding about leadership. My aim as chairperson will be to introduce more aspiring leaders to this wonderful program. Now more than ever, our community needs thoughtful, collaborative, and imaginative leaders. Leadership Asheville is all about developing leaders who will build on Asheville’s rich history to create an exciting future that enriches the lives of all Ashevilleans.”

Leadership Asheville is dedicated to enhancing community leadership by developing, connecting, and mobilizing citizens throughout the region. Leadership Asheville is made possible through the generous support of its Contributing Partners: The Grove Park Inn Resort & Spa, The University of North Carolina at Asheville, Volvo Construction Equipment North America, The Van Winkle Law Firm, Mission Health System, Nantahala Outdoor Center, Wells Fargo, Morosani & Associates, Blueprints for Business, and TD Bank.
